SUBJECT INDEX TO VOLUME 75

Academic health centers
  challenges to, 3rd Mahoney Symposium, 17
  report of the Commonwealth Fund Task Force on, NYAM Symposium, 330
Acquired immunodeficiency syndrome (AIDS)
  housing issues of persons with, 170
  reduced hospitalization of drug users with, clinic characteristics, 153
Addiction
  treatment, promoting a medical approach to, 558
Adolescents
  health care, opportunities to improve, 4th Mahoney Symposium, 660
Adult health
  early antecedents of, NYAM Symposium, 236
African-American health
  social environment, role of, NYAM Symposium, 300
Aging
  variability of (book review), 191
Ambulatory care
  drug users with AIDS, reduced hospitalization of, 153
Antimicrobial therapy
  peptic ulcers, pharmacoeconomic impact on, 896
Artificial kidney
  use of in uremia treatment, 911, 919

Behavioral factors
  health status, relationship to, 535
  urban populations, health status of, NYAM Symposium, 242
Book review
  Cell Therapy: Stem Cell Transplantation, Gene Therapy, and Cellular Immunotherapy, 922
  A Clinical Guide to Inherited Metabolic Diseases, 604
  The Clock of Ages: Why We Age, How We Age, Winding Back the Clock, 191
  Health Care for Children: What's Right, What's Wrong, What's Next, 192
  Marriage as a Search for Healing, 606
  Medical Writing: a Prescription for Clarity, 603

Cancer
  treatments of (book review), 922
Cardiology
  history of, Saul Jarcho's contribution to, 98
Centers for Disease Control and Prevention
  health policy and public health, information needs in, 884
Children
  chronic conditions, 4th Mahoney Symposium, 723
  development, alterations in pediatric practice regarding, 739
  development and pediatrics for, 4th Mahoney Symposium, 704
  developmental health care, creating systems for, 4th Mahoney Symposium, 751
  developmental screening scores among preschool-aged, roles of poverty and child health, 135
  health, commitment to, 4th Mahoney Symposium, 623
  health care, practices and policy (book review), 192
  health care coverage and access for, 4th Mahoney Symposium, 693
  health care needs, financing of, 4th Mahoney Symposium, 639
  immunization, missed opportunities for, 123
  medically underserved, action for, 4th Mahoney Symposium, 724
  minorities, Medicaid's impact on access to health care, 4th Mahoney Symposium, 677
  universal access, 4th Mahoney Symposium, 636, 772
Chronic illness
  children with, 4th Mahoney Symposium, 723
  pediatric, effect on developmental screening scores, 135
Commonwealth Fund
  universal access for children, studies on, 4th Mahoney Symposium, 636

Community
in urban health strategy, emphasis on, NYAM Symposium, 367
Cryptosporidiosis
HIV-infected persons, decrease among, 601

Discrimination
housing, against persons with HIV/AIDS, 170

Early life exposures
long-term effects, NYAM Symposium, 236
Editor's note
This Issue of the *Journal of Urban Health*, 5, 199, 453, 615
Emerging Infections Conference
conference summary, 526
future of infectious diseases, 463
introduction, 459
pathogens, emerging and resurgent, New York City, 471
rationale for, 457
social, behavioral, and demographic factors, 492
summary of presentations, 501, 516
surveillance and sentinel systems, overview of, 514
virulence and emerging diseases, evolution of, 480
Epidemiology
comparison by urban size, 550
Evolutionary biology
virulence and emerging diseases, evolution of, Emerging Infections Conference, 480

Families
low-income working, uninsured and underserved, 3rd Mahoney Symposium, 31
Fourth Annual Margaret E. Mahoney Symposium on the State of the Nation's Health
adolescent health care, opportunities to improve, 660
child development and pediatrics for future, 704
children, universal access for, Commonwealth Fund studies, 636
children's health care needs, financing in future, 639
chronic conditions, children with, 732
developmental health care, creating systems for children, 751
health care coverage and access for children, New York State, 693
introduction, 621
keynote address, 623
medically underserved children, action for, 724
minority children, Medicaid impact on access to health care services, 677
The 1998 Margaret E. Mahoney Symposium, 619
pediatric care, models of excellence in, 702
pediatric practice, alterations regarding child development, 739
presentation of the 1998 Margaret E. Mahoney Award, 634
symposium summary, 772

Health care services
minority children, Medicaid's impact on access to, 677
Health policy
challenges to accessing useful information in, 779
information needs in, 785, 842, 884, 888
information resources for, 794, 826
public policy, resources for, 807
Health services
economics and urban health, NYAM Symposium, 281
HIV/AIDS, housing, 170
household type, relationship to utilization, 535
Healthy Steps
child development and pediatrics, approach for, 4th Mahoney Symposium, 704
Henry Ford Health System
urban health strategy, current efforts, NYAM Symposium, 356
History
Jarcho, Saul, biography, 89, 113
of medicine, Saul Jarcho's contribution to, 87, 98
Hospitalization
reduced amount of, users with AIDS, 153
Hospitals
safety net, moving beyond, NYAM Symposium, 367
safety net and teaching, 3rd Mahoney Symposium, 17
Housing
issues, persons with HIV/AIDS, 170
Human immunodeficiency virus (HIV)
cryptosporidiosis in persons with, decrease, 601
housing issues of persons with, 170
Hysterectomy
supracervical and total abdominal, trends in New York State, 903

Immunization
missed opportunities for, effectiveness of pediatric practice consultation, 123
poliomyelitis, 584
Indigent care
provision for, safety net and teaching hospitals, 3rd Mahoney Symposium, 17
Infectious diseases
future of, Emerging Infections Conference, 463
pathogens, emerging and resurgent, Emerging Infections Conference, 471, 480
social, behavioral, and demographic factors, Emerging Infections Conference, 492
urbanization, effect of, NYAM Symposium, 251
Information
health policy, needs for, roles of Centers for Disease Control and Prevention, 884
priority problems in health policy, strategies for, 888
public health, quality of, 853
Internal medicine
general practice of, by subspecialists, 184

Jarcho, Saul
autobiography, 89
contribution to history of medicine, 87, 98
historian of cardiology, 98
translator and editor, 104

Longitudinal studies
developmental screening scores, socioeconomic effects on, 135
Low-income communities
health system change, impacts on, NYAM Symposium, 430

Managed care
implementation, NYAM Symposium, 424
trust in medical care, 118
uninsured care, providing for, 3rd Mahoney Symposium, 22
Marital dynamics
model for (book review), 606
Medicaid
minority children, access to health care services, 4th Mahoney Symposium, 677
Medically underserved
children, action for, 4th Mahoney Symposium, 724
Mortality
comparison by urban size, 550

National Library of Medicine
health policy, information resources for, 826
NYAM Sesquicentennial Symposium
adult health, early antecedents of, 236
collaboration, opportunities for, 401
Commonwealth Fund Task Force on Academic Health Centers, report of, 330
dedication, 203
economics and urban health, 281
environmental factors, effect on urban health, 258
government, role of in health agenda, 412
health system change, impacts on low-income communities, 430
infections, effect of urbanization on, 251
introduction, 204
keynote address, 209
local public health systems, role of in urban health, 322
managed care and delivery systems, 424
session contents, 207, 272, 347, 407
social environment, role of in African-American health, 300
socioeconomic considerations, 228
symposium summary, 438
urban collaborative initiatives, overview of, 391
urban health, improvements for, 263, 367
urban health agenda, 273, 408, 420
urban health care, providing effective, 349
urban health strategy, current efforts, 356, 379, 383
urban population, health status in, 219, 242

Pediatrics
alterations in practice, professional recommendations and consumer demand, 4th Mahoney Symposium, 739
models for excellence in care, 4th Mahoney Symposium, 702
Peptic ulcer disease
pharmacoeconomic impact of antimicrobial therapy for, 896
Poliomyelitis
active immunization against, 584, 600
Preterm birth
effect on developmental screening scores of preschool-aged children, 135
Primary care
pediatric practice consultation, effect on immunization, 123

Public health
information, quality of, 853
practice, information resources for, 807
urban health, role of local systems in, NYAM Symposium, 322

Rationing
of medical care, 118

Social environment
African-American health, role in, NYAM Symposium, 300
Socioeconomic factors
role of in developmental screening scores, 135
South Africa
household-related variables and reported illness, 535
Specialists
subspecialists, practice of general internal medicine, 184
Substance abuse
addiction, promoting medical approach to treatment, 558
users with AIDS, reduced hospitalization of, clinic characteristics, 153
Surgical practice
hysterectomy, trends in New York State, 903

Third Annual Margaret E. Mahoney Symposium on the State of the Nation's Health
foreword, 13
introduction, 15
keynote address, 58
low-income working families at risk, 30
panel discussion, 70
presentation of the Margaret E. Mahoney Award, 67
questions from the floor, 50
safety net and teaching hospitals, challenges to, 17
urban uninsured, caring for, 22
Tracking system
pediatric immunization, 123

Uninsured
children, opportunities to improve, 4th Mahoney Symposium, 660
health system change, impacts on, NYAM Symposium, 430
urban care, providing for, 3rd Mahoney Symposium, 22
Universal access
Commonwealth fund studies on, 4th Mahoney Symposium, 636
steps in achieving, 4th Mahoney Symposium, 772
Urban health
agenda, NYAM Symposium, 408
agenda, academic medicine and, NYAM Symposium, 420
behavioral factors, status of population, NYAM Symposium, 242
Boston, current strategies, NYAM Symposium, 383
collaboration, opportunities for, NYAM Symposium, 401
collaborative initiatives, overview of, NYAM Symposium, 391
creative partnerships for, NYAM Symposium, 209
economics and, NYAM Symposium, 281
environmental factors, effect on, NYAM Symposium, 258
government, role of in agenda, NYAM Symposium, 412
improving, NYAM Symposium, 263
infections, effect of urbanization on, NYAM Symposium, 251
local public health systems, role of, NYAM Symposium, 322
Los Angeles County Health Services, status of, NYAM Symposium, 379
mortality, comparison by urban size, 550
new strategy model, NYAM Symposium, 367
policy, NYAM Symposium, 273
providing effective care, NYAM Symposium, 349
socioeconomic considerations, NYAM Symposium, 228
status, determinants in, NYAM Symposium, 219
strategies, Henry Ford Health System, NYAM Symposium, 356
Uremia
artificial kidney, use of in treatment, 911, 919

Vaccination
missed opportunities for, effectiveness of pediatric practice consultation, 123
